Description: Ham radio is a great hobby and a great way to serve the community. One can communicate locally, around the world or even via satellite. It provides an excellent means of emergency communication. Your license never expires as long as you renew every 10 years (no need for another exam). We intend this to be a fun, low-key, learning experience. We encourage class participation and asking questions. However, we will not call on individual students during class so that you can feel free to participate at your comfort level. We will present the conceptual material during the first weekend so you can study efficiently during the following week. Practical scenarios and demonstrations will be presented on the final day. You are not required to take the exam on the last day if you feel you need more time to study.

Amateur Radio General Licensing Class

When: Fri, Nov 16, 2018: 6pm – 9pm
Sat, Nov 17, 2018: 9am – 5pm
Sun, Nov 18, 2018: 9am – 4pm
Sun, Nov 18, 2018: 6pm (testing)

Where: Seattle Red Cross, room 130
1900 25th Ave S, Seattle, WA 98144

Cost: \$15 fee for exam (cash or check). No fee for class.

Prerequisite: Anyone may take the class; however, one must have passed the Technician License test before taking the General test. Both tests can be taken consecutively on Nov. 18, 2018

Book: ARRL License Manual, level 2 (General), 8th edition (2015 – 2019). Also available on Kindle. Please purchase before class.

Practice Tests at: <https://hamexam.org/>, and many other sites
iOS and Android apps are available

Register at: Call (206) 323-2345 and ask for Kevin Kopp or
e-mail dokrent@usa.net

Questions: David Okrent at dokrent@usa.net

The additional frequencies obtained with a General license open a lot more opportunities for enjoying the hobby.
